

# **Crime Records Project**

Panchatcharam M

Associate Professor

**Department of Mathematics and Statistics,  
IIT Tirupati**

- Have a look at the CrimeRecords.zip
- It has Crimerecords for each month
- It has the following heading
  - Heads of Crime
  - Major Heads
  - Minor Heads
  - During the current year up to the end of month
  - During the corresponding month of previous year
  - During the previous month
  - During the current month

- Find the most crime under major heads
- Find the most crime under minor heads
- How many dowry related crimes? Month wise
- How many caste related crimes? Month wise
- How many gang rivalry crimes? Month wise
- How many Adulteration crimes?
- How many assaults?
- How many porn related crimes?
- How many suicides?

- Design another 5 problems that you can extract information and provide to from this dataset
- If you are employed in the Police Department, what would be your recommendation to the DGP?
